The Week in Review

We hope you have had a fantastic week! This week we reviewed long and short i.

In Mystery Science, we learned about why we have eyebrows.

We have been working on a book about ocean animals. Student groups picked an ocean animal to research. We went through books and found facts about our animals. Currently we are working on putting our books together.

This will be the last newsletter for the school year. Please check the announcements page on my website for any news/information.

Have a fantastic weekend! Please contact me if you have any questions or concerns christyjacobson@bighollow.us

Sight Words-Review

We will be reviewing all the words we talked about this year for the rest of the year.
